

FM2000 Fund Manager Overview

Supports your projects from bid to closure

FM2000 Fund Manager is a complete project repository. It handles project management from bid to closure – including project planning & tracking, funding, monitoring & evaluation and document management. Features include:

- **Project Bidding** - pre-bid planning, selective information sharing, document management
- **Flexible Project Definition** – programmes and standalone with single, multiple or matched funding
- **Project Delivery** – on-going planning and revision – budgets, milestones and targets, costs and achievement capture, claims and audit
- **Project Closure** – archive projects to inform future bids
- **Comprehensive Reporting** – finance and monitoring & evaluation reports, pivots and charts
